

RE: Payoff Proposal Caldwell Investments | Loan 4506

November 13, 2019

Dear Investor,

We are writing to provide an update regarding the above-referenced investment. As you are aware, the borrower, Caldwell Investments, ceased making interest payments on the loan in November 2018. The investor majority voted to approve filing a Notice of Default and beginning the foreclosure process on this property. The foreclosure sale was originally scheduled for March 19, 2019. The borrower requested a forbearance of the sale to allow him to refinance or sell the property and ultimately payoff the loan to investors, which the investor majority approved through the end of 2019.

The borrower has received a purchase offer on the property that will allow for a minimum return of principal to investors of 100%. As such, the borrower is presenting an offer for investor ballot consideration to allow him to sell the property and in turn pay the outstanding principal due on the loan. The advantage of accepting the borrower's proposal is that it allows you, as the investor, to get 100% of your principal back now versus waiting for the foreclosure process to complete and the property to be marketed for sale to another buyer. There is no way for Ignite to predict whether another buyer would be interested in purchasing the property or at what amount. Additionally, the borrower still has the legal ability to file for bankruptcy before the final foreclosure date which would extend the foreclosure further. Rejecting the borrower's proposal will increase the length of time before you will be able to realize a return of principal and proceeding with foreclosure will incur additional costs that may offset any potential return once the property is taken back and marketed for sale.

Our top priority is to protect your principal investment therefore we believe that the most viable option at this time is to accept the borrower's proposal which allows for a 100% return of all principal upon the close of the pending sale, but ultimately the decision is yours as the investor. **Investor majority (51% of the loan balance) vote is REQUIRED to accept the Borrower's Payoff Proposal.**

YOUR IMMEDIATE BALLOT RESPONSE IS REQUIRED. Please return the enclosed ballot to Ignite Funding at your earliest convenience and no later than 12:00 p.m. Friday, November 15, 2019. Once majority approval is received the purchase offer can be accepted which will allow for the payoff to investors.

Executed ballots may be returned via e-Sign, emailed to investors@ignitefunding.com, texted to 702.630.1313, or faxed to 702.739.7735.

We will continue to keep you informed regarding the status of the property, including ballot results, through additional correspondence.

Please contact your Investment Representative should you have any questions. Additionally, all updates are posted on the Caldwell Investments portal at:
