

Hello Ignite Funding Client,

Trust Deed Investing is generally considered a safe investment, but there are risks - just as there are for any investment. This is why we educate potential investors and current investors about these types of investments.

In this three-part series, we are tackling some of those risks.

- In the first part we address conflict of interest.
- In the second part we look at loan-to-own underwriting.
- We conclude the series with the third pitfall: lack of diversification.
